

ATOMY Satellite Site Admin Login Guide

01 Admin Page Login Guide

To enhance the security of the Admin Page, users must access the Admin Page through the internal Groupware.

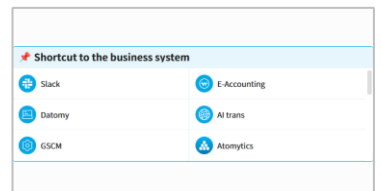

01 Groupware Login

Log in to the internal Groupware to access the Admin Page.

02 Select Satellite Site

Click the service you want to access from the 'Shortcut to the business system' list.

03 Access Satellite Site Admin

Once login to the selected Admin Page is completed, you can use the service.

Notes

- New administrator accounts accessing the Admin Page through Groupware for the first time will be **fully activated** after approval by the person in charge.
- Once submitted as a new administrator, the account will remain in pending approval status and **cannot use the service** until approval is completed.
- For login issues or urgent permission approval, please contact the person in charge (yhkim@atomypark.com).
